

DEFIBRILLATOR GUIDE

Where is the defibrillator?

The defibrillator is located outside the **Red Lion pub** on **Southwell Road, Thurgarton, NG14 7GP** – see red arrow on photo for exact location.

Who can use the defibrillator?

Any adult can use the defibrillator. You do **NOT** need training to use the defibrillator.

How do I access the defibrillator?

1. CALL **999**

2. If the emergency is located within the circle on the village map shown (represents 500m perimeter from the defibrillator) and the 999 operator determines that the defibrillator is required for the emergency then they will automatically provide you with the code to open the defibrillator case. If the emergency is located just outside the perimeter you will need to provide the full address of the defibrillator to the operator. It may be the emergency is located closer to another defibrillator in a neighbouring village.

3. Once you have the code go to the defibrillator

- Enter the code
- Turn the handle anticlockwise as shown

4. Carry the defibrillator back to the location of the emergency

5. The defibrillator will talk to you with the instructions on how to use it

**AT THE APPROPRIATE TIME PLEASE
